Message from Principal

It is a privilege to present the second edition of AAKRITI, the annual newsletter of the Department of Civil Engineering. This publication showcases the academic accomplishments, technical activities, and creative contributions of our students and faculty. As engineering continues to evolve, it is essential to cultivate innovation, practical knowledge, and ethical values. I hope this edition motivates our students to strive for excellence and contribute positively to society. My sincere appreciation goes to the editorial team for their dedication in bringing this publication to life.

Dr. Rajesh Kumar Ranjan
Principal
Government Polytechnic Lakhisarai

Vision

To build a learning environment in Civil Engineering that imparts strong fundamental knowledge and practical skills, empowering students with modern tools and technologies to meet the ever-changing needs of the profession. The department aspires to liberate young minds through higher education, earn the trust of society by producing competent and ethical civil engineers, and contribute to the sustainable development of the locality and the nation

MISSION

M1: To Produce Civil Engineers of high caliber, Technical skills and ethical values to serve the society and industry.

M2: To Promote innovative thinking in the budding engineers to face the challenges of the future.

M3: To instill a sense of professional responsibility and ethical practices in students, ensuring they understand the impact of their work on society and the environment.

M4: To foster relationships with local industries and communities, providing students with opportunities for real-world learning experiences and contributions to local technological advancements.

Expression of
Innovation*

HOD'S MESSAGE

Building strong foundations through knowledge, innovation, and practical excellence.

It is my pleasure to present the second edition of AAKRITI, reflecting the achievements and vibrant academic culture of the Department of Civil Engineering. Our department is committed to nurturing technically competent, ethically responsible, and industry-ready professionals through quality education, modern laboratories, workshops, and experiential learning. Beyond academics, we encourage students to participate in technical events, community initiatives, and skill development programmes that foster confidence, leadership, and innovation. This newsletter captures the dedication, creativity, and accomplishments of our students and faculty throughout the year. I extend my sincere appreciation to the editorial team and wish AAKRITI continued success as a platform for learning, expression, and inspiration.

Mr. Sanjeev Kumar
Head of Department
Civil Engineering

Departmental Showcase

LABS/WORKSHOPS

Parent-Teacher Meeting

The Parent-Teacher Meeting strengthened communication between faculty and parents, encouraging collaborative support for students' academic and personal growth.

Events and Celebrations

LEARNING EXTENDS BEYOND CLASSROOMS THROUGH PARTICIPATION, CELEBRATION, AND COMMUNITY ENGAGEMENT."

UMANG 2025 – Faculty Meet

UMANG 2025 was a joyful celebration that fostered teamwork, togetherness, and mutual appreciation among the faculty of Government Polytechnic Lakhisarai, creating memories to cherish.

BIHAR DIWAS 2025

On the occasion of Bihar Diwas 2025, Hon'ble Deputy Chief Minister Shri Vijay Kumar Sinha visited the Government Polytechnic Lakhisarai stall and interacted with students. He appreciated the innovative projects and learned about the institute's academic and technical initiatives.

EARTHQUAKE SAFETY WEEK

Earthquake Safety Week was observed from 15–21 January 2025 to promote disaster preparedness and earthquake awareness among students. Through interactive activities and awareness programmes, participants learned essential safety measures and emergency response techniques.

LAGORI (PITTO) TRAINING CAMP

A one-day Lagori (Pitto) training camp and demonstration was organized on 2 May 2025 to encourage physical fitness, teamwork, and awareness of traditional Indian sports.

Nayee Ummid : A Better Tomorrow

The Nayee Ummid: A Better Tomorrow programme inspired students to develop resilience, positive thinking, and self-confidence while overcoming academic and personal challenges. The interactive session emphasized mental well-being, character building, and preparing for a brighter future.

Startup Outreach Programme

Startup Outreach Programme for Self Employment organized by Startup Cell, Department of Industries, Government of Bihar

The Startup Outreach Programme inspired students to explore entrepreneurship as a promising career path. The initiative emphasized innovation, leadership, and self-employment opportunities for aspiring young professionals.

78th Independence Day Celebration Cum Meritorious Student Award Ceremony

The 78th Independence Day was celebrated with pride at Government Polytechnic Lakhisarai. Meritorious students securing the top three ranks in the institute were honored for their academic excellence, inspiring dedication, discipline, and the pursuit of excellence.

पहल एक प्रयास...

The Pahal – Ek Prayas initiative provides free academic coaching and guidance to students preparing for competitive examinations. The programme reflects the institute's commitment to promoting equal learning opportunities and empowering students for academic success.

"PAHAL is a promise that no dream should remain limited by circumstance, and no talent should go unnoticed."
— Ms Ritu Sinha
(Pahal Coordinator)

Poem Section

Kuch to log kahenge
Logo ka kaam hai kehna
Lekin kab tak hai chup rehna
Kab tak hai ise sehna ,

Jab humne logo ko mauka nhi diya
baat banane ke ,
Unhone surwat kardi humare akal ko
taraju par taulane ke,
Baat baat par humare akal ko
kam batanae ki,
Hume Masum nhi murkh batane ki ,

Lekin Hume koi shaukh nhi
apne aap ko nazar par chadwane ki
sabse upar batane ki ,

Hum sidhe hi sahi hai Malik
Hume shauk nhi hai tej ban kar
dusro ko nicha dikhane ki ,

Logo ko hume tej nhi banana hai
Bas do baat sunana hai ,

Kyunki hum agar tez ho gye
To phir ye bhi mushkil pach pana hai .

*Thank you for being a part of
Aakriti 2025-26."*

Message from Editor

Aakriti 2025-26 is a reflection of the creativity, achievements, and vibrant spirit of the Department of Civil Engineering. This newsletter brings together the academic, technical, and co-curricular activities of our department while celebrating the enthusiasm and talent of students and faculty members. We hope this edition inspires learning, innovation, and continuous growth.
